Snow Hill UMC Connection

Sep-Oct 2020

Volume 7, Issue 4

From the Pastor

So far, we have made good progress in growing the Kingdom of Heaven. We established a Prayer Team and they are quite active. Members of the Prayer Team are: Sue McGuire, Nolan Lawson, Kim Lawson, Jeanette Overby, Willis Overby, Laura Wilson, Martha Monnet, Charlotte Wall, Judy Cox and Keith Lawson. Feel free to contact anyone on the Prayer Team with your request. Each Sunday there is a basket up front with prayer request slips and an updated prayer list.

We are still in the process of setting up a library. The shelves have been moved and Faye Mabe and I are working on cataloging the books. There will be a comfortable chair for reading and there will be books and videos available for all age groups. If you have lightly used books that you would like to donate, please contact Faye Mabe (Books must be in good shape and content must be consistent with our Christian faith).

Plans are being developed for us to safely return inside for worship. We will post rules and criteria to be met to allow us to safely go back inside the sanctuary as soon as they are finalized.

I am anxious to start a Bible study group soon. Bible study allows each person attending the chance to participate in discussions and to grow spiritually, enriching their lives in a way regular worship service cannot afford.

I am so grateful for the opportunity to serve as Pastor! Sunday worship is the highlight of my week and I feel so blessed to be back home with my Snow Hill Church family.

Blessings brothers and sisters! May the peace of Christ be with you all.

Coming Up

UMM Annual Stew Saturday, October 3 at 4pm At Family Life Center (SHAPE)

It is that time of the year – stew in the big pot over an open fire. Mark your calendar now!

Some changes in place this year for everyone's safety. Potatoes will be purchased so no slicing will be needed.

The men will “man” the stew overnight for **the feast that will begin at 4pm on Saturday. Bring friends and family to enjoy a bowl.**

Pints sell for \$6/quart. Great for freezing!

Snow Hill After-School Pupil Enrichment Celebration

On Sunday, August 23rd, we celebrated 20 years of SHAPE. This ministry has guided children in faith as well as providing a service to the community.

Joan Glidewell, the first SHAPE director, and Lisa Mchone, SHAPE director for the past 19 years were recognized for their hard work and dedication. Members showered SHAPE with various supplies during the service.

Our prayers are that this ministry continues and our gratitude is offered to Lisa and Joan for 20 successful years!

PLANS TO MOVE INSIDE October 4 - 10am

After many months outside, it is time to come inside. We will require masks, social distance, and adjust some of our practices to keep everyone safe and healthy. Please find the handout or check the church website for specifics.

If you are not comfortable coming inside, feel free to stay home and participate via online Facebook. This is not intended to make anyone uncomfortable.

Children Church Update

Since we have not been able to meet since March, we wanted to let the kids know we are thinking of them and miss being with them. About 20 backpacks were delivered to their home. The deliveries generated beautiful smiles.

Yard Sale was GREAT SUCCESS!!

All the hard work paid off especially after we gave control to GOD! Over \$3500 was raised to support our community over the next year.

In spite of covid-19, no school traffic, high chance of heavy rains, etc., the yard sale had great attendance. Customers are constantly amazed at the volume of items. Your generous giving to others is what makes that possible. People were personally touched by special finds and ability to purchase personal items or gifts. We worked hard while we shared lots of laughter. We strived to make each “customer” feel welcomed and safe. Some had not been out on a shopping spree for a long time. The baked goods were delicious and did not last long at all!

We were also able to “pass it on” with donation of items to King Habitat for Humanity, Stokes County Dept of Social Services, SHAPE, and group that supports Alzheimer's patients.

THANKS TO EVERYONE WHO HAD A PART!!

One person's junk is another's treasure

A year to remember - Masks “of all kinds” were worn

Thanks to all the men who pitched in!
